Disclaimer for Trending Service by Soul Systems

The "Trending" service provided by Soul Systems is for informational purposes only. A portion of the coins featured in the "Trending" section, may be included as a result of a paid service offered by Soul Systems.

Please acknowledge the following:

1. **No Endorsement:** Appearance in the "Trending" section does not imply financial advice or endorsement of any cryptocurrency, project, or investment strategy by Soul Systems. Users are encouraged to perform their own research prior to making any investment decisions.

2. **No Refunds**: All payments for featuring a coin in the "Trending" section are final and non-refundable. Soul Systems will not issue refunds under any circumstances once a transaction is complete.

3. **No Guarantees**: Soul Systems does not guarantee the performance, accuracy, or ongoing availability of the "Trending" service.

4. **Data Use**: Soul Systems may use data related to orders and coin selections in an anonymized manner for analytics and service improvement. Furthermore, team members may access specific order details and user information for the purpose of follow-up and service quality enhancement.

By utilizing the "Trending" service, users agree to the terms outlined in this disclaimer. Soul Systems reserves the right to change these terms at any moment without prior notification.
